Excision/Alteration: Yes

Reason(s) for Excision:

Four excisions are recommended to remove sexual conduct that degrades, dehumanises and demeans the female participants to a significant extent and degree and which is compounded by the manner of presentation.

The authorised distributor agreed to the excisions and in compliance with this, submitted another version of the video recording. This video recording satisfies the excision requirements but has some differences in the components compared to the original. These include a shorter version of the feature, different notices and the removal of the original trailers.
